**NOTICE OF SETTLEMENT**

---

The undersigned hereby inform the Court that the potential settlement agreement noted in their previous joint motion for a stay (ECF No. 44) has been approved by all parties and counsel are in the process of obtaining necessary signatures on the settlement paperwork. After those signatures are obtained, the parties intend to execute the settlement forthwith. So long as everything goes smoothly, the undersigned anticipate that the agreement will be satisfied and the case dismissed within the next three weeks.

Accordingly, the parties request that the Court stay the deadline to respond to Defendants' motion for summary judgment. (Other deadlines in this case were stayed via magistrate-judge order on August 13, 2022. The parties believe the summary judgment response deadline is the only one remaining.)
